Rabbi Hanna Tiferet Siegel served as co-rabbi of B'nai Or for seven years. She is a singer-songwriter, liturgical artist and spiritual guide who weaves together prayerful songs and thoughtful teachings in a tapestry of love and kindness. Her 7th album, "Seeds of Wonder," takes us on life's journey, touching the miracles as well as the losses that we experience along the way. Learn more about her healing music at www.HannaTiferet.com and cdfreedom.com.
